

SANTA CLAUS TO VISIT FOREIGN LANDS

Atlanta, Ga., Dec. 22.—For the first time in five years, Santa Claus and his reindeer are setting out this Christmas to visit the children of Poland, Serbia, Rumania and other European countries, little folks whom the war denied Christmas presents for so long at time that they really didn't believe in Santa any more.

And when he slips down their chimneys, what do you suppose will be in his pack? Toys made by Johnny and Jimmy and Mary and Sue, children of America. The first installment of these American-made toys has been sent overseas by the Junior Red Cross. More are to follow, for toys are as badly needed by children of Europe as food is. Many of them haven't had so much as a rag doll in five years.

The Junior Red Cross is furnishing pamphlets to its members everywhere, showing just how to make dolls out of discarded chalk-boxes of the school room, cigar boxes and other homely materials. These pamphlets can be had on application to division headquarters in Atlanta. Many southern school children are turning them out by the cart-load, especially at this Christmas time when they have so many nice things themselves and want to show the Christmas spirit by remembering the boys and girls whom Santa Claus forgot for a while.

MAKING GOOD CITIZENS

Earnest effort to acquaint foreign

people in this country with American ways of thought and living is being made this year by various agencies, including the extension service of the U. S. Department of Agriculture and the State agricultural colleges. Within the territory of nearly every county or home demonstration agent are to be found a greater or less number of people living quite to themselves and speaking their native language almost entirely. These people from other lands are usually very appreciative of any effort made to teach them American ways, and they welcome instruction in the cooking of American foods, the making of American clothes, and even the growing of vegetables that thrive here.

In Lake Charles, La., is a Mexican community, which is as typically Mexican as if it were located in Mexico. The home demonstration agent in that parish has been endeavoring this year to bring about a change in living conditions. A sewing class has been organized and garden work encouraged. Previously only two people in this Mexican community had ever had a garden. Among the things the mothers wished to learn was how to

make American cookies. One of the women offered to teach the home economics worker how to make the finest of Mexican hot tamales if she would in turn teach her how to make

American pastry. While they learn American cooking and sewing it is hoped that incidentally they will learn not only the American language but American ideas of living as well.

DISCARDED AS DANGEROUS

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

Take "Dodson's Liver Tone" Instead!

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel

and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

THE MOST

DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back—wake up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

Will Not be One Day Without PE-RU-NA

This Lady TELLS Her FRIENDS

Mrs. Mary Fricke, 507 Bornman St., Belleville, Ill., is just one of the many thousands of ladies throughout the country who, after an agony of years, have at last found health, strength and vigor in PE-RU-NA.

Her own words tell of her suffering and recovery better than we can do it: "I suffered with my stomach, had awful cramps and headaches so I often could not lay on a pillow. Saw your book, tried PE-RU-NA and got good results from the first bottle. To be sure of a cure I took twelve bottles. I have recommended PE-RU-NA to my friends and all are well pleased with results. I will not be one day without PE-RU-NA. Have not had a doctor since I started with PE-RU-NA, which was about fifteen years ago. I am now sixty-three years old, hale, hearty and well. Can do as much work as my daughters. I feel strong and healthy and weigh near two hundred pounds. Before, I weighed as little as one hundred. I hope lots of people use PE-RU-NA and get the results I did." An experience like that of Mrs. Fricke is an inspiration to every sick and suffering woman.

MRS. MARY FRICKE

If you have catarrh, whether it be of the nose, throat, stomach, bowels, or other organs, PE-RU-NA is the remedy. It is not new; it is not an experiment. PE-RU-NA has been tried. PE-RU-NA has been used by thousands who once were sick and are now well. To prevent coughs, colds, grip and influenza and to hasten recovery there is nothing better.

PE-RU-NA will improve the appetite and digestion, purify the blood, soothe the irritated mucous linings, eradicate the waste material and corruption from the system. It will tone up the nerves, give you health, strength, vigor and the joy of living. Do what Mrs. Mary Fricke and thousands more have done—try PE-RU-NA. You will be glad, happy, thankful.
